# How To Use APP Flash IMT8 IMEI

1. Open "Flash_IMT8_IMEI" APP

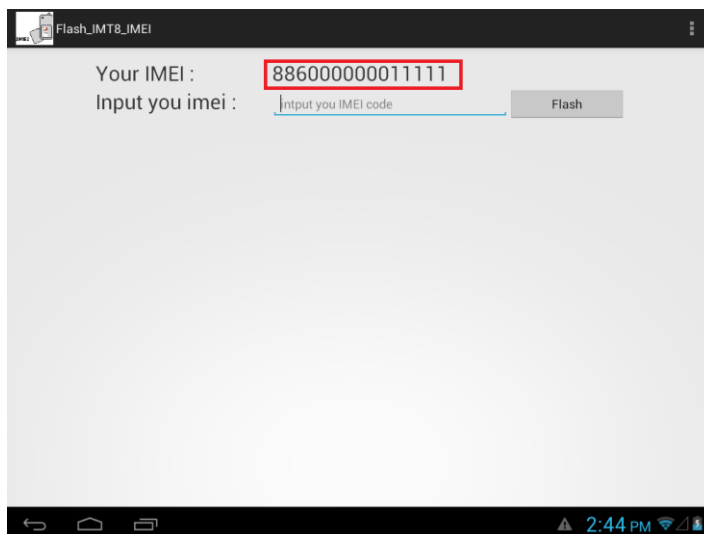

2. Write IMEI
   2.1.   You can see old IMEI code

    P.S If not IMEI can see "invalid"

   My example old IMEI code is 886000000011111
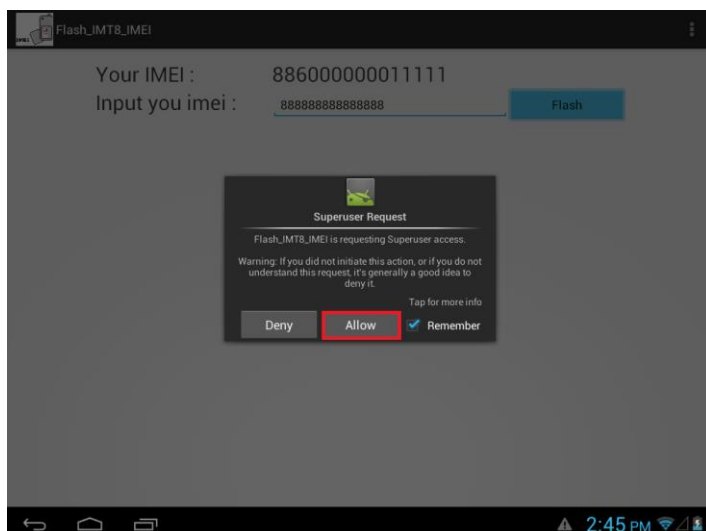

2.2. Input New IMEI code

My example IMEI code is 888888888888888

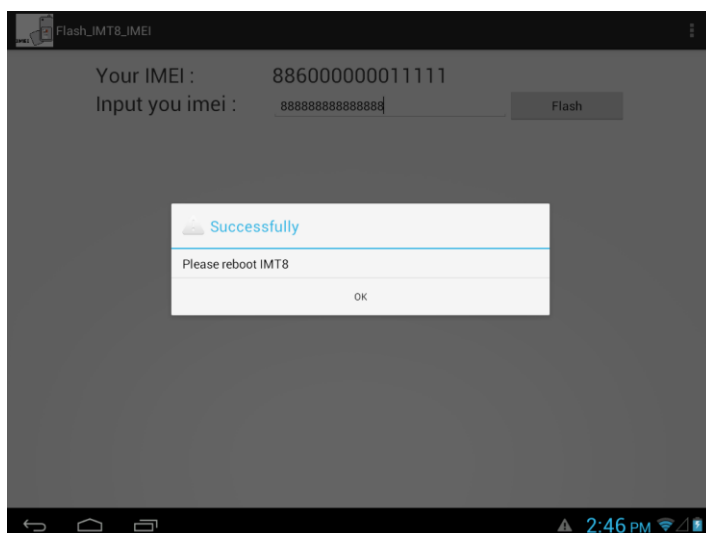

2.3. Click Flash button

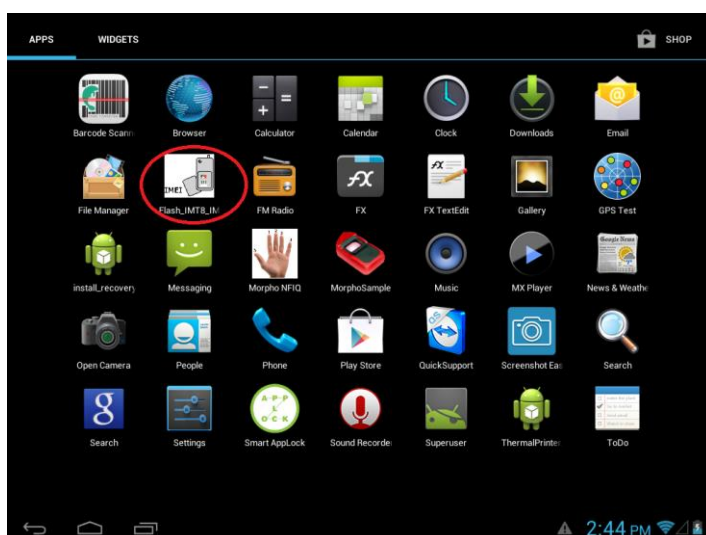

2.4. Click Allow

After can see reboot dialog

2.5.   Reboot IMT8

    P.S Need reboot IMT8

3. Verify

3.1.   Open "Flash_IMT8_IMEI" APP

3.2.   Check IMEI

    My example: if success can see 888888888888888
